CLUBS

Please ensure that your child's club has been paid for before they start next week. Thank you.

Trip Contribution

We are asking parents for an annual £15 contribution towards school trips and visitors. This helps to inspire and deepen children's understanding of the topics taught.

Dear Parents and Carers,

I have had the wonderful opportunity of meeting some of our new parents and children joining our school in the Reception class. We can already see how keen they are to learn and excel.

We are very careful to monitor poor attendance and lateness, both of which have such a detrimental effect on learning. We want the best for all our children by ensuring they attend regularly. So please do not be offended by Kim asking why you are late—this is part of her role.

Teaching Kitchen

We received a grant that will help us start building a teaching kitchen in the 'House' (Breakfast and After School clubs won't be affected). We want children to enjoy the garden and learn to cook with the produce.

Resilience is our value this term
