Parent Governor Election

Please remember to vote for a parent governor next Monday 1st October.

Smoothie Bike and Popcorn Maker

Our caterers highlighted the importance of a healthy diet and exercising last Friday when children were able to make smoothies using fresh ingredients and pedal power. They also learnt about the importance of eating wholegrain food and were able to make popcorn.

LETTER TO PARENTS ABOUT THE SAVINGS CLUB

27th September 2018

Dear Parents/Carers,

This year we are delighted to be taking part in the LifeSavers programme, helping our pupils learn about money and how to manage it wisely.

As part of LifeSavers we are partnering with our local credit union London Mutual to provide an in-school savings club for pupils. The savings club will provide real life, hands-on money experiences for your children to help them develop into financially confident young people. They will learn about saving and setting savings targets for things they want. The emphasis will not be on the amount they save but developing a positive savings habit. All amounts saved, no matter how small, will be welcomed.

Our savings club will be run by our own school volunteers (pupils and staff) and will run on: Fridays from 8.30- 9am

Any pupil is eligible to join the savings club and they will receive a Lifesavers Passbook and wallet when they join. If your child wishes to join the savings club, please fill in an application form at www.lifesavers.co.uk/registration or you may wish to fill in the attached paper application form and return it to school along with ID requirements for London Mutual

We will be having a launch event for the savings club on Friday 9th November at 9am when your child can start saving. If your child would like to receive their passbook ready for the launch date we need application forms in by 19th October 2018. Children can continue to join the savings club at any point throughout the school year.

There will be opportunities for parents and carers to get involved in helping your child learn about money. We will send more details about this soon. And of course, all parents and carers would be welcome to join the local credit union themselves if they wish. We hope lots of our children will want to take part in the savings club. If you have any questions please do contact Kim or myself.

Thanks

Louise
