Dear Parents and Carers,

A big welcome back to Streatham Wells School and a new academic year. We are always looking for ways to improve the curriculum and this year is no exception. We will continue 'Life Savers' lessons where children learn about money management and will be launching a savings club in November. We are revamping the art curriculum and training at the Dulwich Picture Gallery has provided us with lots of ideas to use with children. Curriculum newsletters will be sent out this week and we have arranged a meeting for all parents with the class teachers: KS2 12th September 5pm and KS1 17th September 4pm. If you can't make this date your child's teacher will be including all the information on the curriculum newsletter.

Attendance Target is 97%
