VALUE OF THE TERM CELEBRATING PIONEERS

Katherine Johnson

One of NASA's "human computers," Johnson says she grew up counting *everything*.

Isambard Kingdom Brunel, an engineer who designed and built dockyards, the Great Western Railway, a series of steamships including the first propeller-driven transatlantic steamship, and numerous important bridges and tunnels. His designs revolutionised public transport and modern engineering.

WINTER FAIR

Members of the PTA will be accepting donations for the Winter Fair next week (see under dates), and raffle tickets will also be on sale next week, with fantastic prizes on offer!

The PTA would also appreciate some help with decoration making on Mondays 3rd and 10th December from 3.30-5.00pm in the school hall. Any help welcome!
