

Covid -19 Risk Assessment Form - December 2021

Streatham Wells School

This Risk Assessment follows DFE guidance and expectations.

Date of assessment	7/12/ 2021			
Who is at risk	Staff, pupils, contractors, visitors			
<p>This risk assessment needs to be completed by the Headteacher, with input from staff members as needed. It will be published on the school website and reviewed regularly to be kept as a live document. Monitoring of this Risk Assessment will ensure that controls are effective and working as planned. https://www.gov.uk/government/publications/actions-for-schools-during-the-coronavirus-outbreak/covid-19-schools-operational-guidance#risk-assessment</p>				
Risk and Expectation	Plan for mitigation/way to meet expectation	Risk Before mitigation L, M, H	Risk After mitigation L, M, H	
Prevention:				
Minimise contact with individuals who are unwell by ensuring that those who have coronavirus (COVID-19) symptoms	Pupils, staff and other adults must not come into the school if: <ul style="list-style-type: none"> • They have one or more coronavirus symptoms. https://www.gov.uk/guidance/nhs-test-and-trace-how-it-works#part-1-people-who-develop-symptoms-of-coronavirus They have been informed by Track and Trace they need to isolate. <ul style="list-style-type: none"> • From 16 August 2021, children under the age of 18 years old and those who are double vaccinated will no longer be required to self-isolate if they are contacted by NHS Test and Trace. Instead, they will be contacted by NHS Test and Trace, informed they have been in close contact with a positive case and advised to take a PCR test. <ul style="list-style-type: none"> • They are required to quarantine having travelled abroad. https://www.gov.uk/ukborder-control/self-isolating-when-you-arrive • They have had a positive test - both PCR and LFD test. 			
	If anyone in the school becomes unwell with a new, continuous cough or a high temperature, or has a loss of, or change in, their normal sense of taste or smell (anosmia) they must be: <ul style="list-style-type: none"> • Sent home to begin isolation - the isolation period includes the day the symptoms started and the next 10 full days 			

Covid -19 Risk Assessment Form - December 2021

Streatham Wells School

	<p>https://www.gov.uk/government/publications/covid-19-stay-at-home-guidance/stay-at-home-guidance-for-households-with-possible-coronavirus-covid-19-infection</p> <ul style="list-style-type: none"> • Advised to arrange to have a test as soon as possible to see if they have coronavirus (COVID-19) If they have tested positive whilst not experiencing symptoms but develop symptoms during the isolation period, they should restart the 10 day isolation period from the day they develop symptoms. <p>https://www.gov.uk/government/publications/actions-for-schools-during-the-coronavirus-outbreak</p> <p>All individuals who have been identified as a close contact of a suspected or confirmed case of the Omicron variant of COVID-19, irrespective of vaccination status and age, will be contacted directly and required to self-isolate immediately and asked to book a PCR test. They will be informed by the local health protection team or NHS Test and Trace if they fall into this category and provided details about self-isolation.</p> <p>Further actions for educational settings may be advised by a local Incident Management Team (IMT) investigating a suspected or confirmed case of the Omicron variant of COVID-19.</p>		
Use of face coverings.	<p>From 29th November 2021 face coverings will need to be worn in communal/ busy areas in school for adults. Face visors or shields should not be worn as an alternative to face coverings. They may protect against droplet spread in specific circumstances but are unlikely to be effective in reducing aerosol transmission when used without an additional face covering. Face visors should only be used after carrying out a risk assessment for the specific situation and should always be cleaned appropriately.</p> <p>Safe wearing of face coverings requires the:</p> <ul style="list-style-type: none"> Cleaning of hands before and after touching – including removal/putting on Safe storage of them in individual, sealable plastic bags between use Wearer not touching the front of their face covering when wearing or removing Safe disposal of masks in sealable black bags Discarding of face masks that become damp 		
Clean hands thoroughly more often than usual.	<p>Pupils and staff clean their hands regularly, when they arrive at school, when they return from breaks, when they change rooms and before and after eating. Soap and running water, hand sanitiser and skin friendly skin cleaning wipes can be used.</p>		

Covid -19 Risk Assessment Form - December 2021

Streatham Wells School

	<p>Posters on the importance of hygiene will be on display around the school.</p> <p>Pupils will be taught about the importance of thorough hand washing and how this should be done, and this will be revisited regularly.</p>		
<p>Ensure good respiratory hygiene by promoting the 'catch it, bin it, kill it' approach.</p>	<p>Ensure that there are enough tissues and bins available in the school to support pupils and staff to follow this routine. For pupils who find it hard to manage good respiratory hygiene an individual risk assessment should be put in place.</p> <p>Posters on good respiratory signage will be clearly displayed around the school.</p> <p>Children will be taught good respiratory hygiene and reminded about this regularly.</p> <p>The e-Bug COVID-19 website contains free resources for schools.</p>		
<p>Maintain enhanced cleaning, including cleaning frequently touched surfaces</p>	<p>The cleaning schedule ensures cleaning is generally enhanced - to ensure expectations are met.</p>		
	<p>More frequent cleaning of rooms and shared areas that are used by different groups.</p>		
	<p>Frequently touched surfaces being cleaned more often than normal.</p>		
	<p>Toilets will need to be cleaned regularly and pupils will be encouraged to clean their hands thoroughly after using the toilet.</p>		
<p>Keep occupied spaces well ventilated.</p>	<p>Ventilation in school to be a priority, this can be achieved by:</p> <p>Mechanical ventilation systems – these should be adjusted to increase the ventilation rate wherever possible and checked to confirm that normal operation meets current guidance and that only fresh outside air is circulated.</p> <p>If possible, systems should be adjusted to full fresh air or, if not, then systems should be operated as normal as long as they are within a single room and supplemented by an outdoor air supply. Natural ventilation – opening windows (in cooler weather windows should be opened just enough to provide constant background ventilation and opened more fully during breaks to purge the air in the space). Opening internal doors can also assist with creating a throughput of air.</p> <p>If necessary external opening doors may also be used (as long as they are not fire doors and where safe to do so)</p>		
	<ul style="list-style-type: none"> ● Ensure a balance between the need for increased ventilation and maintaining a comfortable temperature by: ● Opening high level windows in colder weather to reduce draughts ● Increasing the ventilation while spaces are unoccupied Providing flexibility to allow additional, suitable indoor clothing 		

Covid -19 Risk Assessment Form - December 2021

Streatham Wells School

	<ul style="list-style-type: none"> • Rearranging furniture where possible to avoid direct draughts Heating should be used as necessary to ensure comfort levels are maintained • If rooms are used by a number of groups, ventilation will be increased between group usage by opening doors and windows to ensure a flow through of air. 		
Ensure good respiratory hygiene by promoting the 'catch it, bin it, kill it' approach.	<ul style="list-style-type: none"> • Ensure that there are enough tissues and bins available in the school to support pupils and staff to follow this routine. For pupils who find it hard to manage good respiratory hygiene an individual risk assessment should be put in place. Posters on good respiratory signage will be clearly displayed around the school. Children will be taught good respiratory hygiene and reminded about this regularly. 		
Promote and engage in asymptomatic testing .	<p>Staff are encouraged to complete a Lateral Flow Test twice a week when working on the school site. All test results are reported to and recorded by the school.</p> <p>All tests are logged in school by their serial number.</p> <p>Staff who receive a positive LFD test do not come to school until a follow up PCR test has been completed and is negative.</p>		
Events	<p>If the school has an outbreak of COVID-19 then events are cancelled.</p> <p>If we are able to go ahead with event then control measures will be put in place.</p> <p>Indoor spaces are well ventilated - hall doors open.</p> <p>Two performances of Christmas show</p> <p>Adults must wear face coverings. Request that anyone attending an event must take an LFD test prior to attending.</p> <p>Any attendee who lives in a household with someone who has had a positive lateral COVID-19 test in the last 10 days does not attend an in school event.</p>		
Use of public transport.	<p>Staff who use public transport must wear a face covering, unless exempt.</p> <p>Encourage walking and or cycling to school to avoid use of public transport.</p> <p>Staff and families using public transport will be referred to the safer travel guidance for passengers.</p>		

Covid -19 Risk Assessment Form - December 2021

Streatham Wells School

Visitors to the school site.	Supply teachers, peripatetic teachers and/or other temporary staff will ensure they minimise contact and maintain as much distance as possible from other staff and pupils. These expectations will be communicated upon arrival at school.		
	Visitors to the school site should wash or sanitise their hands on arrival.		
	Specialists, therapists, clinicians and other support staff for pupils with SEND will provide interventions as usual but will maintain as much distance as is possible and will wash or sanitise their hands regularly. These expectations will be communicated upon arrival at school. Individual risk assessments will be put in place if needed.		
	Where visits, from contractors, can happen outside of school hours, they should.		
	Site guidance on this risk assessment is explained to visitors on or before arrival.		
	A record will be kept of all visitors		
Staff who are Clinically Extremely Vulnerable.	The shielding programme has now come to an end and adults previously considered CEV should, as a minimum, continue to follow the same guidance as everyone else. It is important that everyone adheres to this guidance but people previously considered CEV may wish to consider taking extra precautions.		
Staff, parents and carers who are anxious .			
Staff who are pregnant.		Employers should be able to explain the measures they have in place to keep staff safe at work. The Health and Safety Executive (HSE) has published guidance on protecting vulnerable workers , including advice for employers and employees on how to talk about reducing risks in the workplace .	
Pupils with complex health needs.	Pupils who remain under the care of a specialist health professional should discuss their care with their health professional and this will feed into their health care plan. Advice from the Royal College of Paediatrics and Child Health: COVID-19 - 'shielding' guidance for children and young people .		
Training for staff and communication to families.	Training on Health and Safety and this Risk Assessment to be completed for all staff. This Risk Assessment and pertinent information to be shared with families. Information in this risk assessment will be communicated regularly to all.		

Covid -19 Risk Assessment Form - December 2021

Streatham Wells School

Mental health and wellbeing affected or anxiety about coronavirus.	Regular meetings and discussions with staff and pupils as needed. Communicate to staff, pupils and parents and carers about how to raise concerns or who to go to so they can talk things through. Involve pupils/families/staff in completing risk assessments so they can help identify potential problems and identify solutions. Keep staff, families and children updated on what is happening so they feel involved and reassured.		
Educational visits.	Risk assessments for educational visits will include consideration of Public Health advice, such as hygiene and ventilation requirements. Adequate financial protection will be considered due to risk of cancellation for Covid related reasons.		
Wrap around care and before and after school clubs.	Children and staff will spend as much time outside as possible. High levels of hygiene, cleaning and ventilation will be maintained		
Extra curricular clubs.	These will start when the school are satisfied that the risk assessment is in place and that all measures align with the school's expectations.		
Attendance at school and access to education.	Where a pupil is unable to attend school because they are complying with clinical and/or public health advice, they will have access to remote education. Schools will monitor engagement with this activity and ensure pupils receive the quantity and quality of education to which they are normally entitled.		
	Where children are not able to attend school as parents/carers are following clinical and/or public health advice, absence will not be penalised.		
Use of PPE – Face covering is not classified as PPE			
PPE to be used if child becomes unwell with Covid-19 type symptoms or is vomiting or has diarrhoea.	PPE for coronavirus (COVID-19) is only required in a very limited number of scenarios, for example, when: <ul style="list-style-type: none"> • A pupil becomes ill with coronavirus (COVID-19) symptoms, and only then if a 2m distance cannot be maintained • Staff are performing aerosol generating procedures (AGPs) https://www.gov.uk/government/publications/safe-working-in-education-childcare-andchildrens-social-care/safe-working-in-education-childcare-and-childrens-social-caresettings-including-the-use-of-personal-protective-equipment-ppe#aerosol-generating-procedures-apgs		
Personal or intimate care for children with SEND.	Where a child already has routine intimate care needs PPE should continue to be used. safe working in education, childcare and children's social care		

Covid -19 Risk Assessment Form - December 2021

Streatham Wells School

Staff delivering first aid to be aware of safe use of and disposal of PPE.	Disposable PPE to be used only once and securely disposed of following use in a plastic bin bag.		
First Aid/ill child			
Only qualified first aiders to deliver first aid.	All first aid to be administered with gloves – which are then disposed of securely in a sealed plastic bag.		
Identify a room that sick pupils can be kept in until parents come to collect them.	<p>If a pupil is awaiting collection:</p> <ul style="list-style-type: none"> • They should be moved, if possible, to a room where they can be isolated behind a closed door, depending on the age and needs of the pupil, with appropriate adult supervision if required • A window should be opened for fresh air ventilation if it is safe to do so <p>If it is not possible to isolate them, move them to an area which is at least 2 metres away from other people</p> <ul style="list-style-type: none"> • If they need to go to the bathroom while waiting to be collected, they should use a separate bathroom if possible - the bathroom must be cleaned and disinfected using standard cleaning products before being used by anyone else • Personal Protective Equipment (PPE) must be worn by staff caring for the pupil while they await collection if a distance of 2 metres cannot be maintained (such as for a very young child or a child with complex needs) 		
	Ensure that the first aid room is thoroughly cleaned with normal cleaning products when a child who is unwell leaves.		
Staff who have supported a child with symptoms of Covid.	<p>All other members of staff or pupils who have been in close contact with that person, do not need to go home to self-isolate unless:</p> <ul style="list-style-type: none"> • The symptomatic person subsequently tests positive • They develop symptoms themselves (in which case, they should self-isolate immediately and arrange to have a test) • They are requested to do so by NHS Test and Trace or the Public Health England (PHE) advice service (or PHE local health protection team if escalated) • They have tested positive from an LFD test as part of a community or worker programme 		
	<p>Everyone must wash their hands thoroughly for 20 seconds with soap and running water or use hand sanitiser after any contact with someone who is unwell.</p> <p>The area around the person with symptoms must be cleaned after they have left, to reduce the risk of passing the infection on to other people.</p>		

Covid -19 Risk Assessment Form - December 2021

Streatham Wells School

<p>The area around the person with symptoms must be cleaned with normal cleaning materials after they have left to reduce the risk of passing the infection on to other people.</p>	<p>See the COVID-19: cleaning of non-healthcare settings guidance</p>		
<p>Response to any infection</p>			
<p>Promote and engage with the NHS Test and Trace process. Manage and report confirmed cases of Covid 19 amongst the school community. 10-day isolation period they should follow ‘stay at home: guidance for households with possible or confirmed coronavirus (COVID-19) in</p>	<p>Tests can be booked online through the NHS testing and tracing for coronavirus website, or ordered by telephone via NHS 119.</p>		
	<p>Essential workers, which includes anyone involved in education or childcare, have priority access to testing.</p>		
	<p>Schools will be provided with a small number of home testing kits that they can give directly to parents/carers collecting a child who has developed symptoms at school, or staff who have developed symptoms at school, where they think providing one will significantly increase the likelihood of them getting tested.</p>		
	<p>Parents, carers and staff will be asked to inform the school immediately of the results of a test.</p>		
	<p>If someone tests positive, they should follow the ‘stay at home: guidance for households with possible or confirmed coronavirus (COVID-19) infection’ They must continue to self-isolate for at least 10 days from the onset of their symptoms and then return to school only if they do not have symptoms other than cough or loss of sense of smell/taste. The 10-day period starts from the day when they first became ill. If they still have a high temperature, they should keep self-isolating until their temperature returns to normal. Other members of their household should continue self-isolating for the full 10 days.</p>		
	<p>When the school becomes aware that someone who has attended has tested positive for coronavirus (COVID-19) they will contact the DfE helpline for advice and the Local Authority.</p>		
	<p>NHS Test and Trace will work with the positive case to identify close contacts. Contacts from a school setting will only be traced by NHS Test and Trace where the positive case specifically identifies the individual as being a close contact.</p>		

Covid -19 Risk Assessment Form - December 2021

Streatham Wells School

	<p>The school will seek public health advice if a pupil or staff member is admitted to hospital with COVID-19. They can do this by phoning the DfE helpline (0800 046 8687, option 1). Hospitalisation could indicate increased severity of illness or a new variant of concern. Settings may be offered public health support in managing risk assessments and communicating with staff and parents.</p>		
	<p>The school will call the Self-Isolation Service Hub on 020 3743 6715 as soon as they are made aware that any of their workers have tested positive. If cases amongst staff mean the school meets the threshold, described above, the school will need to provide the 8-digit NHS Test and Trace Account ID (sometimes referred to as a CTAS number) of the person who tested positive, alongside the names of co-workers identified as close contacts. This will ensure that all workplace contacts are registered with NHS Test and Trace and can receive the necessary public health advice.</p>

	<p>The school will keep a record of pupils and staff in each group, and any close contact that takes places between children and staff in different groups.</p>		
	<p>A template letter will be provided to schools, on the advice of the London Coronavirus Response Cell, to send to parents and staff if needed. Schools must not share the names or details of people with coronavirus (COVID-19) unless essential to protect others.</p>		

Covid -19 Risk Assessment Form - December 2021

Streatham Wells School

Contain any outbreak by following local health protection team advice.	If 10% of the school population confirmed cases within 14 days, or an overall rise in sickness absence where coronavirus (COVID-19) is suspected, there may be an outbreak, and the school will work with the Lambeth Public Health Team on additional action.		
Further guidance is available on testing and tracing for coronavirus (COVID-19) .			
Alternate Provision			
Children with complex needs returning to school.	Assess risks and put in place proportionate control measures through an individual risk assessment completed in consultation with parents and carers and the child if appropriate and referencing the control measures in this risk assessment.		
Use of dedicated school transport.	<ul style="list-style-type: none"> The approach to dedicated transport will align as far as possible with the principles underpinning the system of controls set out in this document. The following will be included in the pupil's individual risk assessment in discussion with the provider. Use of hand sanitiser upon boarding and/or disembarking Additional cleaning of vehicles Organised queuing and boarding where possible Distancing within vehicles wherever possible Fresh air (from outside the vehicle) through ventilation, is maximised, particularly through opening windows and ceiling vents Wearing of face masks for adults and pupils – when possible 		
NAME OF THE ASSESSOR Please Print: Louise Salewski			
SIGNATURE OF THE ASSESSOR: - 			
POSITION OF RESPONSIBLE PERSON: - HeadTeacher			
Date of planned review: This plan should be reviewed weekly, with updated versions published on the school website.			
Schools should have active arrangements in place to monitor that the controls are:			
<ul style="list-style-type: none"> effective working as planned
