School Dinners

Our school dinners are being developed. From after half term, we will have 3 options of food, rather than 2. One of those options will be vegan each day. This menu is seasonal and the produce is organic. We will also be inviting parents/carers to a tasting, after half term, so you can taste and see just what your lovely children are eating each day. Date will be confirmed shortly.

Payments

A reminder about payments for lunches and clubs. Please ensure full payments are made - there are a number of outstanding payments currently.

Another great week of learning. We have started up singing assembly again and it was lovely to come together and sing (also one of my favourite things to do!)

Safeguarding

It is our job to safeguard children from harm. In our school we have 4 safeguarding officers: myself, Kim, Bob and Claudette.

Part of this is managing the premises and who comes in and out of the gates. We kindly ask you wait for a staff member to open the gates in the mornings and afternoons. If you are collecting from a club, please arrive just before 4:30pm to collect, rather than waiting in the playground. Thank you for your vigilance with this.

Black History Month...coming soon!

We are an actively **anti-racist** school. We know that Black History, is simply, History and is taught all year round here. In addition, we love to celebrate Black History Month as it's a time to come together, learn and celebrate.

We invite you to share and celebrate the wonderful work we will do for Black History Month on: Friday 14th October - ~There will be an Exhibition & Coffee Morning PLUS an after school event with a diverse book fair and food truck.

Also, if there are any parents/carers who have contacts (or skills in) music such as calypso or steel pans, get in touch!

Pupil Leadership Positions

The applications are in. We have lots of Year 6s trying out and interviewing for Head Boy/Girl/Pupil. By half term, every child in year 6 will have their leadership position. This develops confidence and enhances the importance of pupil voice in school. Stay tuned!
